Please contact your insurance company to understand your insurance benefits. Your insurance company, without notice, may change benefits. For example, upon renewal of many contracts, there are new deductibles, or the amount of an existing deductible has increased. Also, co-insurance and co-payment amount may change at the start of a new benefit year. Please note that it is **your responsibility** to notify us of any changes in benefits and/or coverage. Also, your insurance may require separate patient responsibility for office consults and procedures. Please be advised final **patient out of pocket cost is determined by your insurance**. In the event that your payment exceeds the final insurance determined amount, you will receive a refund for the over payment.

By following these steps, you will be aware of any cost that may be your responsibility after your insurance company processes your claim.

When having a procedure, two separate charges will be billed to your insurance:

- Adobe Gastroenterology, PC. Will submit a claim for the professional portion of the procedure
- Adobe Surgery Center, PC. Will submit a claim for the facility charge.

## **SELF-PAY PATIENTS:**
