FINANCIAL POLICY

BECOME FAMILIAR WITH YOUR INSURANCE BENEFITS

Please contact your insurance company to inquire your insurance benefits. Your insurance company, without notice, may change your plan benefits. For example, upon renewal of many contracts, there are new deductibles, or the amount of an existing deductible may increase. Also, co-insurance and co-payment amounts may change at the start of a new benefit year. Please note that it is your responsibility to notify us of any changes in benefits and/or coverage. The quote you receive from our practice is an **estimate only** and other procedures may be necessary at the date of your appointment that may not have been included in the estimate. **It is your responsibility to know your insurance benefits. Please contact your insurance company with benefit questions and all financial responsibilities prior to your procedure and office visit.** Your insurance may require separate patient responsibility for office consults and procedures. Please be advised final patient out of pocket cost is determined by your insurance. In the event that your payment exceeds the final insurance determined amount, you will receive a refund for the over payment.

By following these steps, you will be aware of any cost that may be your responsibility after your insurance company processes your claims.

When having a procedure, two separate charges will be billed to your insurance. A claim from Adobe Gastroenterology, PC. for the physician performing the procedure and a claim for Adobe Surgery Center, PC. for the facility charge.

If any biopsies are collected during your procedure there will be an additional claim filed by Adobe Pathology or Tucson Pathology Associates depending on your insurance coverage.

SELF-PAY PATIENTS:

Possible Additional Costs:

- If a second procedure is deemed necessary by the physician after preliminary payment has been made.
- If any pathology is required. (There will be an additional bill from Adobe Pathology or Tucson Pathology Associates)

If you should have any further questions or need any additional information after speaking with your insurance, please contact us at **520-721-2728**.
